Dear Mr. Parker:

This letter reports the action taken by the NFHS Football Rules Equipment Subcommittee in regard to your appeal of the NFHS Football rule 1-5-3k on uniform adornments. The Equipment Subcommittee heard your appeal on January 23, 2010. The Equipment Subcommittee ruled that under the current language in NFHS Football rule 1-5-3k, that the Debris Inhibitor did not constitute a violation of the provisions in Rule 1-5-3k. The Equipment Subcommittee felt that as presented/shown, that the items were not adornments.

If you have any questions, please contact me.

Sincerely,

A handwritten signature in black ink that reads "Robert B. Gardner". The signature is written in a cursive style.
